A WORD FROM THE President/Committee

Presidents/Committee Report to Members

Dear Members

As you are no doubt aware the smoking areas are still a work in progress. The Committee has approved the purchase of new tables and chairs for each area. With regard to the roof over the Sports Bar smoking area and the works required for the Pokies area, we have applied for a building permit. We are waiting on the Darwin City Council for approval.

The Committee have met with Nightcliff Sports Club Affiliate Clubs and it has been decided to reinstate the Annual Nightcliff Sports Club Awards. The awards will be along the lines of, Best Sportsman (Senior and Junior), Best Coach, Best Administrator and will be presented at a Gala function. Final details on the number of awards and the voting format will be announced in the coming months after further discussion with Affiliate Clubs.

It was very pleasing to see the great turn out for our Australia Day celebrations. A great day was enjoyed by all.

As some of you may be aware Steve Marshall has resigned his position on the Committee. We wish him all the best in his future endeavours. There is now a vacant position on the Committee. If anyone wishes to nominate for the position, please see a Committee member for more information.

Well that's all for this month. Frank will be back in the "hot seat" soon, no doubt nice and refreshed after his cruise around the Pacific.

Cheers

From your Committee,

Mick McDonnell

Acting President

'IRON GUTS' GLORY

Nightcliff Cricket Club has started 2010 in a blaze of glory after winning the Nightcliff Sports Club *Australia Day "Iron Guts" Challenge* at Tuesday's gala celebrations held at the Nightcliff Sports Club.

Skipper Sam "Archie" Gibson (far left) assembled his team for this assault with such precision that rival Swiss watch-making companies are now reportedly head-hunting him. Damien "Aker" Warner (2nd from right) showed more run than a giraffe on Acid before professionally dismantling a cold meat pie, before handing over to Alexander the Tate (far right), who savaged a lamington like a starved Doberman in a Butcher's store. With a scent of victory wafting through the air, Gibson then pinned the ears back and absolutely funnelled a warm beer before handing over to Geordie "Fergalicious" Ferguson to roll the Keg of Victory home. *"I just visualised I had scored the last KFC bucket of chicken on Earth"* said Ferguson, after recording some sizzling sectionals on the anchoring keg-rolling leg.

Skipper Gibson said to the packed gallery after the feature race, *"Thank you to the Nightcliff Sports Club for this (half a) grand opportunity. I was proud of the boys today. No Guts, no Glory - the lads displayed plenty of the former and deserve every bit of the latter. A momentous day for Nightcliff and Australian Sport!"*
